## Advantage UP - Key Enablers of Growth

### Key Strength

<table>
<thead>
<tr>
<th>Highlights</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Over 200 million people</td>
</tr>
<tr>
<td>• Growing per capita income creating one of the largest consuming class</td>
</tr>
</tbody>
</table>

### Largest consumer base with increasing per capita income

- Proximity to Container Freight Stations Dadri with facility of warehousing with good connectivity to major ports in western India, vital for EoU/SEZ.
- Well connected to major metros through Road, Rail and Air
- Largest rail network in the country total railway network spanning 8,800 km
- International Connectivity to Middle Eastern Countries
## Advantage UP - Key Enablers of Growth

<table>
<thead>
<tr>

<td>Third largest hub for MSMEs in country</td>
<td>• 3rd highest number of micro, medium and small enterprises (MSMEs) in India.</td>
</tr>
<tr>
<td></td>
<td>• With an investment of over USD 36.6 billion, over 175,000 MSME units were set up during the 11th Five Year Plan</td>
</tr>
</tbody>
</table>
Ambitious growth rate target of 10% in the 12th Five Year Plan (2012-17)

- **Industrial growth target set at 11.2%**
- **Targeted aggregate investment of USD 35.3 billion**
- **Over 70% of investment target envisaged from private sector**
- **Estimated investment of USD 6.36 billion in manufacturing**
- **Creation of employment opportunities for 10 million people**
UP’s strategic levers for sustaining growth

Priority Sectors

- Enabling Policies
- Business Friendly Environment
- Partnering with Private Sector
- Creating Best-in-class Infrastructure
- Skill Development
In the last 2 years the new government has proactively taken concrete steps...
Right policy environment to fuel growth
Attractive industrial Policy coupled with sector specific policies

Infrastructure and Industrial Development Policy (IIIP), 2012

Attractive Fiscal incentives
- Stamp duty exemptions
- Concessions related to commercial tax
- Capital subsidy and Interest Free loan
- Incentives for MSME
- Market and Brand development assistance
- Research and Development assistance

- Special incentives for mega projects
- Electricity duty exemption
- Exemption from Mandi fee
- Industrial quality scheme
- EPF reimbursement scheme

Sector Specific Policies for focus sectors to drive inward investments

- Food Processing Policy
- Information Technology
- Solar Policy
- Sugar
- Poultry
Infrastructure and Industrial Investment Policy (IIIP)- 2012: Boosting the next wave of growth

Exemption from Stamp Duty to new Industrial units on purchase or lease of Govt. land or Private Land

- 100 % on purchase and lease of land in Eastern UP, Central UP & Bundelkhand
- 100% to IT, Bio-tech, BPO, Food processing, Food Park & Alternative Energy Sectors
- 100% to Private Sector infrastructure development excluding PPP projects
- 75% to other new units on government lands & 50% on private lands in western UP
- 25% reimbursement to Private industrial estate developers

Investment Promotion Scheme

- Interest-free loan equivalent to VAT and Central Sales Tax paid by industrial units or 10 percent of the annual turnover whichever is less
- Provision for a period of 10 years repayable after 7 years from the date of first disbursement
Infrastructure and Industrial Investment Policy (IIIP)- 2012: Boosting the next wave of growth

<table>
<thead>
<tr>
<th>Capital Interest Subsidy Scheme for Eastern U.P., Central U.P. and Bundelkhand Regions</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Subsidy @5% on interest rate on loan for procurement of Plant &amp; Machinery for a maximum period of 5 years</td>
</tr>
<tr>
<td>• Maximum annual subsidy limit of Rs.50 lakhs</td>
</tr>
<tr>
<td>• Maximum annual subsidy limit of Rs.1 crore for units of Textile Sector</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Infrastructure Interest Subsidy Scheme @5% for 5 years</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Industrial Quality Development Subsidy Scheme @5% for 5 years</th>
</tr>
</thead>
<tbody>
<tr>
<td>• On setting up of R&amp;D infrastructure such as Testing Labs, Quality Certification Labs and Tool Room</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Special Incentives to Mega Projects</th>
</tr>
</thead>
<tbody>
<tr>
<td>• For projects over INR 200 Cr (~USD 33.3 mn) the ceiling limit for incentives can be relaxed on case-to-case basis For projects with investments of INR.500 crores or more a customized incentive package can be offered</td>
</tr>
</tbody>
</table>
IIIP 2012: Priorities identified for improving business environment...

Deregulation and Simplification of licensing procedures

Extension and Strengthening of Single Window Clearance System

E-Governance initiatives for investor information, industry grievance redressal, investor tracking

Appointment of Escort Officers for Mega Projects

Augmentation of security for Industrial Estates
UP has a strong legacy of being a forerunner in Infrastructure…

State with a progressive mindset and many firsts to its credit….

- 1st state to conceive and develop an Industrial Development Authority (IDA), much before SEZs were in vogue (NOIDA in 1976)
- 1st state to create a private sector franchise (Noida Power Company)
- 1st road PPP project in the country (DND Flyover)
- Amongst the first states in India to set up a nodal agency for investment promotion and facilitation (Udyog Bandhu in 1986)
- 1st state to host a Formula 1 Grand Prix in India (2011)
- Home to the longest 6-lane expressway in the country – (Yamuna Expressway- 2012)

Buddh International Circuit in Greater Noida

Buddh International Circuit in Greater Noida with a 5.14 Km in length spread across an area of 875 acres is India’s only circuit for F1 – motor racing
Uttar Pradesh – Creating Best in Class Infrastructure
Major Focus on PPP projects

Road Projects under PPP

► 462 km of roads under construction (by 2015)

► Feasibility study completed for 11 roads across 977 km and in progress for 6 roads of 818 km

► Projects under construction:
  ► Delhi-Saharanpur-Yamunotri Road
  ► Bareilly- Almora Road
  ► Varanasi- Shaktinagar Road
  ► Meerut-Karnal Road
  ► Inner Ring Road in Agra

Success Stories in PPP

1. DND Flyover – 1st road PPP project in the country

2. 6-lane Yamuna Expressway – Travel time between Noida and Agra reduced to 2.5 hours

Taj International Airport and Aviation Hub and SDZs are proposed along the alignment of Yamuna Express Way adjacent to Greater Noida
Uttar Pradesh – Translating concepts into reality

Key projects awarded in the recent past

**Metro Rail projects – Lucknow Metro and Noida- Greater Noida Metro**

- **GoI approves first Phase of Luckow Metro project covering 22 km from Lucknow Airport to Munshipulia**
- **Cost of Lucknow Metro Project: USD 1.14 Billion - 20% funding by Centre, 20% by GoUP and 60% by external agency**
- **Proposed Noida – Greater Noida Metro Rail line (~ 30 K.M.)**

**IT City Lucknow**

- **Project awarded for developing the IT City**
- **Spread over 100 acres with total project cost of USD 250 million; significant potential for direct employment**
- **Skill development centre with a capacity to train more than 5000 people**
Energy: UP poised to become a power surplus state by the end of 12th Plan

13000 MW additional capacity to be available in 2012-17 in addition to existing capacity of about 10000 MW

Proposed Investment of USD 2.83 billion in Distribution Sector and USD 3.33 billion in Transmission sector

1000 MW to be supplied by Central Govt. and 6000 MW as Case 1 (merchant power)

Solar: The sunrise sector offering plethora of investment opportunities

Source: Annual Plan, 2013-14

Source: UPPCL, UPNEDA
Solar Energy – The sunrise sector

Solar Power energy
- Abundant sunshine available for solar power generation
  - Solar irradiation levels in State range between 5-5.5 kwh/sqm.
- Potential 20 Megawatt/sq Km.
- Availability of contiguous wastelands
- Proposed Public Sector Projects - UPNEDA
  Capacity: 100 Mw

Solar Power Projects recently cleared (130 Mw)

Refex Energy
Capacity: 10 Mw, Estimated Cost: USD 13.3 mn

DK Infracon
Capacity: 10 Mw, Estimated Cost: USD 13.3 mn

Essel Infra
Capacity: 50 Mw, Estimated Cost: USD 66.6 mn

Jakson Power
Capacity: 10 Mw, Estimated Cost: USD 13.3 mn

Moserbaer Clean Energy
Capacity: 20 Mw, Estimated Cost: USD 26.6 mn

Shri C&D
Capacity: 20 Mw, Estimated Cost: USD 26.6 million

* Source: Udyog Bandhu
Solar Policy, 2012

Key Highlights
► Applicable for projects of minimum 5 MW capacity in case of grid connected solar power.
► Solar power plants of above 5 MW capacity for captive use will also be eligible for incentives under this policy.
► Time Limit for commissioning of Solar PV projects - within 13 months & 28 months in case of solar thermal projects from the date of signing of PPA.
► Special Incentives by State Government on case to case basis for establishing Solar Farms with an investment of more than INR 500 Cr.
► All the incentives applicable under the Uttar Pradesh Infrastructure and Industrial Investment Policy 2012 also applicable for power plants based on solar energy.
► Expenditure on the construction of transmission line and sub station will be borne by the state government for all the projects in the Bundelkhand Region.
► UPNEDA will act as single window clearance agency for Solar Power Projects.
IT/ITeS: State has one of the largest IT hubs at Noida and plays host to major companies in the sector

IT hub of North India – Exporting USD 5388.89 M in IT and Electronics

Share of U.P. Electronics Hardware export (2012-13)

- 27% for U.P.
- 73% for North India

Several SEZs are in Pipeline

Expansion: Tier 2 cities like Lucknow, Agra, Kanpur

Operational SEZs

- Multi Product SEZ Noida
- Moser Baer India
- NIIT Technologies
- Wipro Limited
- Aactivité Softech
- HCL Technologies
- Seaview Developers Ltd

Hardware Manufacturing Success Stories

► The Noida facility is ranked as the Number 1 amongst all Samsung subsidiaries
► Delivering the highest productivity for Mobile phones, colour televisions and refrigerators
► Production of 2.5 million handsets per day
► Expansion plans to increase production to 4.5 million handsets

► World’s second largest Optical Disc producer (CDs, DVDs & BDs) located in Uttar Pradesh, India
► Global market share of ~ 20% , India Market share of 55%
► Peak Capacity 3.5 Billion discs p.a. with state of art plants located in Noida & Greater Noida (UP)
► Investment in production facilities in UP in excess of INR 60 Billion,
► Successive expansions and diversifications in manufacturing of Optical Discs and Solar Photovoltaic during the last 30 years carried out in UP.
### Specialized Infrastructure for promotion of IT/ITeS in the state

| **Semiconductor Wafer Manufacturing Facility** | The outlay of the proposed FAB is about INR 34,399 cr (~USD 5.73 billion) for establishing the FAB facility of 40,000 wafer starts per month of 300 mm size, using Advanced CMOS technology.  
Technology nodes proposed are 90, 65 and 45 nm nodes in Phase I, 28 nm node in Phase II with the option of establishing a 22 nm node in Phase III.  
The proposed location is Greater Noida |
| **IT Park, Lucknow** | Project cost of USD 47.5 million over an area of 1.3 lac sq mt  
To be developed on Design-Finance-Build-Operate model |
| **IT City, Lucknow** | 100 acre land identified near Airport  
Sophisticated telephone exchanges with optical fibre connectivity  
Investment Opportunities in ISP facilities, large Bandwidth options, Broadband & Wi-Fi connectivity |
<table>

Knowledge Economy – Skill Development

**World class institutions**
IIT Kanpur, IIT BHU, IIM Lucknow and IIIT Allahabad

**Upcoming National Level Institutes**
National Automotive Testing and R&D Infrastructure Project, National Institute of Pharmaceutical Education and Research, Institute of Hotel Management, All India Institute of Medical Sciences

**Medical Education**
New Medical College coming up in Badayun
Medical College already started in Kannauj and Jalaun
6 more medical colleges are proposed
Food Processing
Food processing – Poised for Robust Growth
Agricultural powerhouse looking at further value addition

Opportunities in Potato Flakes, Vodka Manufacturing (potato based), Meat processing and Mango/Guava, Litchi Pulp

- Vast source of raw material-
  - Food grain production – 20%
  - Wheat production – 34%
  - Fruits production – 19%
  - Vegetables production – 30%

- Contributes 60 % of meat exports from India

- 35% share in Sugarcane output, ranks 2nd in sugar production

- Established three agro food parks at Barabanki, Varanasi, Faizabad and four pack houses at Lucknow, Saharanpur, Barabanki, Varanasi
- Mega Food Park proposed at Jagdishpur

Ranks
1. Potato Production (34%)
2. Livestock -Excluding cow (11%)
3. Milk Production (17%)
Meat and Poultry – Plethora of opportunities which can be leveraged....

**Poultry**
- 1139.22 million eggs produced annually in the state
- Huge opportunity exists as 365 crore eggs and 900 lac poultry chicks are procured annually from other states
- New scheme for enhancing poultry production on the anvil, which includes interest subsidy and concessions related to VAT, Mandi tax and stamp duty
- Subsidy on interest amount on Bank Loan for 5 years
- 100% Exemption on Stamp Duty, Electricity duty for 10 yrs

**Dairy processing**
- Largest milk producing State in the country
- Contributes approximately 1/5th of the total milk production of the country
- Only 5% of milk is processed and marketed in the organised sector pointing to a huge opportunity
- Per capita per day availability of milk in U.P. is 303 grams while the national average is 245 grams
**MSME Sector – Lifeblood of UP’s industrial economy**

**Trends in Handicraft Export in U.P (USD ‘00 Mn)**

**Major Clusters in the state**

- Ceramics - Bulandshahr
- Brass & Art ware, Metal ware – Moradabad
- Carpet - Bhadohi, Varanasi, Mirzapur, Shahjahanpur
- Chikan - Lucknow and nearby districts
- Pottery - Khurja, Nizamabad
- Woodcarving – Saharanpur
- Locks, Building Hardware, Artmetal, - Aligarh
- Silk and Brocade, Benarsi saree – Varanasi
- Leather - Kanpur Unnao, Agra
- Powerloom, handloom - Jhansi, Mau,
- Zari, embroidery - Lucknow, Farukhabad, Bareilly, Unnao
- Art Jewellery - Meerut, Kanpur, Varanasi, Ghaziabad
- Scissor – Meerut
- Glass – Firozabad
- IT/ITeS – Noida

Source: Annual Plan 2012-13, GoUP

**Breakup of Manufacturing Investments in the 11th Plan**

- Small & Micro: 64%
- Medium: 4%
- Heavy: 32%
Auto & Engineering – Major ancillary hub with potential for greenfield investments

**Major Clusters in the State**

- **Auto Ancillaries** – Greater Noida, Lucknow
- **Mechanical Engineering Equipment** – Ghaziabad, Agra

**National Automotive Testing and R&D Infrastructure Project (NATRIP)**

Provide complete homolocation service to agri tractors, off road vehicles, diesel generation sets

**Key Automobile industry players**

- Honda
- Delphi
- Tata Motors
- Yamaha
- Motherson Sumi Systems Limited
- Denso

An Ancillary hub coming up in Rae Bareilly to cater to the Rail Coach factory
Sectoral Opportunities

Tourism
Tourism in Uttar Pradesh

- **Night Safari at Greater Noida**
  - 300 acres land identified in Gautam Budh nagar
  - Design Plans finalized

- **International Airport at Kushinagar**
  - 615 acres of land has been acquired, PPP mode opted for development. RFP released

- **International Airport at Agra**
  - Land Site approved
  - Proposal submitted to GOI for clearances

- **Pool of heritage properties available** that can be taken up by investors on lease
- **Tourism Heritage Policy** and **New Policy for Theme Parks** to be announced shortly

Key Industrial Areas & Parks
Delhi Mumbai Industrial Corridor (DMIC)

- 36,068 sq km (15%) of DMIC catchment area across 12 districts of UP
- WDFC & EDFC link at Dadri provides accessibility to both corridors

Early Bird Projects

- Integrated Hi-Tech Industrial Township at Greater Noida
- Boraki Multimodal Transport Hub
- Dadri-Noida - Ghaziabad Investment Region
- Multimodel Logistic Hub at Greater Noida
Leveraging EDFC – New Horizons

► 1839 Km long railway corridor between Ludhiana to Dhankuni Kolkata
► 57%, over 1049 km falls in UP
► 18 districts of UP comprising of 30% of UP’s population
► Major locations/ places along this corridor include:
  Muzaffarnagar, Meerut, Aligarh, Mathura, Auraiya, Kanpur, Allahabad and Varanasi.
► Auriya, Allahabad, Agra Integrated Manufacturing Cluster

► Proposed National Investment & Manufacturing Zone (NIMZ) @ Auraiya
► Industrial zones proposed:
  ▪ Pashchimanchal
  ▪ Braj Industrial Zone
  ▪ Kanpur Logistics hub
  ▪ Allahabad-Naini-Bara
  ▪ Mughalsari-Varanasi-Mirzapur

EDFC - Benefits to Investors

► Facilitate uninterrupted transportation of goods to sea ports
► Industrial Estates & Logistic Hubs along EDFC for the benefit of industries
► Reduced congestion at terminals and junction stations
Key Industrial Clusters along DMIC: NOIDA

Outstanding residential, educational and medical facilities
Reliable power supply - Abundant ground water
Highly skilled and semi-skilled manpower
Planned, integrated industrial city well connected to Delhi

Infrastructure

IT/ ITeS Destination

Metro Rail

- Excellent connectivity with Delhi
- New metro line from botanical garden - excellent connectivity with Indira Gandhi International Airport
- 6 km metro line - Greater Noida west to Delhi via Noida
- Proposed 35 km Metro line connecting Noida and Greater Noida

and many more have established a major base here

Dozens of special economic zones and software technology parks spread over an area of more than 1000 acres
Key Industrial Clusters along DMIC: Greater NOIDA

Strategically located close to four important industrial hubs: Noida, Ghaziabad, Faridabad (35 kms away) and Meerut (75 kms).

Single largest direct investment by transnational companies.

Golf Course at Jaypee Greens & Formula 1 track at Greater Noida

Connectivity
- Located at intersection of the Western and Eastern Dedicated Freight Corridors
- Gateway to the Delhi-Mumbai Industrial Corridor (DMIC).

Industry Hub
- Large number of automobile and automobile component manufacturers located here

Others
- Medical university - with state-of-the-art facilities proposed
- Night Safari - fourth such project of its kind in the world, after Thailand, China and Singapore.
- Boraki Railway Station proposed
- Eight lane, 25 km-long expressway connects Greater Noida directly to Delhi
Investor Facilitation & Support Systems
‘Nivesh Mitra’ - Web-enabled Single Window System (SWS) in place to ensure time-bound approvals

Online Submission
Track Applications
Online Payment

Governance structure and Institutional framework of State

Industrial Services Guarantee Act

Dedicated NRI Cell for responding to queries of NRIs (Non Resident Indians) and PIOs (Persons of Indian Origin)
Industrial Grievance Redressal System (UPIGRS)

An e-governance initiative to reduce unwarranted human intervention and to provide seamless interface for entrepreneurs to get their issues resolved quickly.

**Key Features**

- Provides an investor friendly online platform for submitting grievances
- Acts as a bridge between entrepreneurs and departments
- Increases transparency in service delivery
- Augments ease of doing business
- Enables entrepreneurs in tracking of their issues with auto-generated a Unique Token Number (UTN)
- Generates alerts to concerned officers
- Regular monitoring at higher level of Udyog Bandhu
- More effective coordination with departments
- Ensures speedy resolution of issues with expected resolve time of a fortnight
- Reinforces investors’ confidence
- Enhances accountability
Welcome to the online application system for grievance redressal

Now you can submit your issues related to your industry by simply furnishing the particulars given in this web portal. Your grievance shall be immediately received in Udyog Bandhu for further action.

The objective of IRGMS is to provide an online platform to the entrepreneurs for submitting their grievance to Udyog Bandhu. It also provides a grievance monitoring mechanism across Uttar Pradesh.
Thank You

Alok Ranjan
Infrastructure & Industrial Development Commissioner,
Government of Uttar Pradesh
